

ETYS Mobile App

ETYS mobile application is used by Erasmus+ projects and National Agencies to send messages about their activities. Wifi connection and/or mobile data is required. Mobile data use may have charges.

In order to receive notifications / messages the application is not required to run all the time. When a notification arrives to your device, app displays the message on your request.

Instructions

After installation this is the initial screen

All messages are divided in two main divisions: Erasmus+ projects and National Agencies. Mobile app user can choose any time which division wants to see messages from.

Choosing the Erasmus+ division (the following applies for the National Agencies division as well) we see the following screen:

Events regarding Erasmus+ projects

Topic: Cultural Diversity in Europe
Date: 05/11/2017 – 11/11/2017
Hosting school: Öffentliches Stiftsgymnasium St. Paul
Sending schools: 4th High School of Ilion and Liceo Scientifico Filippo Silvestri

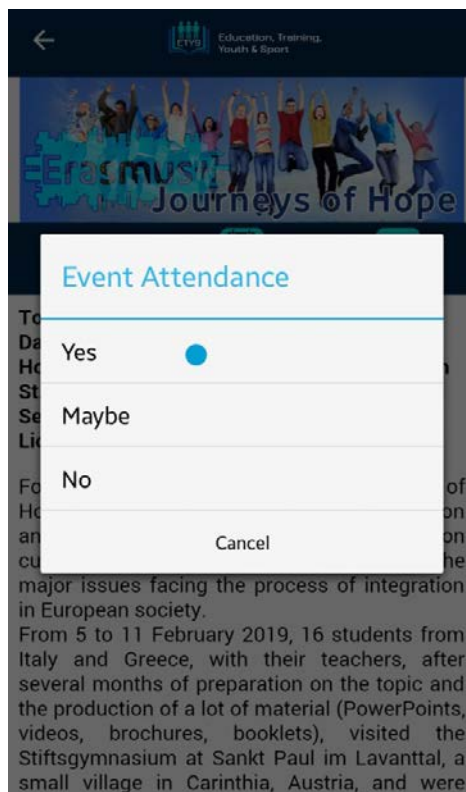

For the third phase of our project "Journeys of Hope: Educational Pathways to Social Inclusion and Tolerance" we carried a research on cultural diversity in Europe and analysed the major issues facing the process of integration in European society.

From 5 to 11 February 2019, 16 students from Italy and Greece, with their teachers, after several months of preparation on the topic and the production of a lot of material (PowerPoints, videos, brochures, booklets), visited the Stiftsgymnasium at Sankt Paul im Lavanttal, a small village in Carinthia, Austria, and were

While reading a message, pressing the horizontal banner, you see the "about" page of the specific project.

Calendar: You can add the event to your calendar with 1 click.

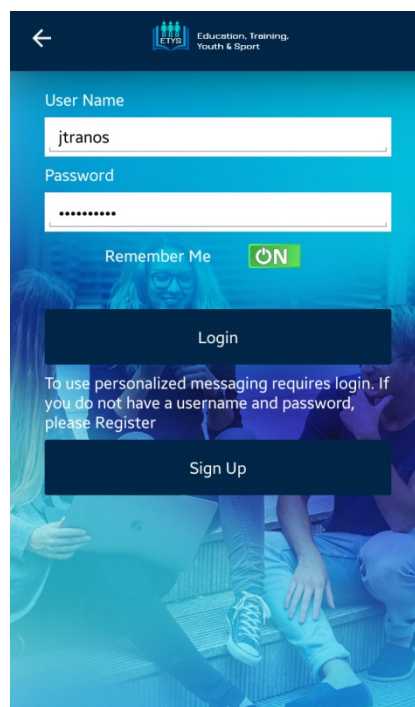

RSVP: Message recipient can send his/hers interaction regarding possible event attendance. In order to RSVP you need to login to the app

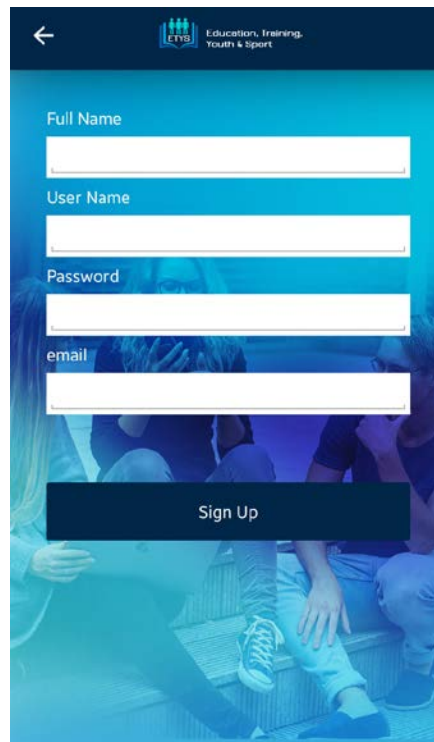

Settings

You can set personal messaging through “Personalization”

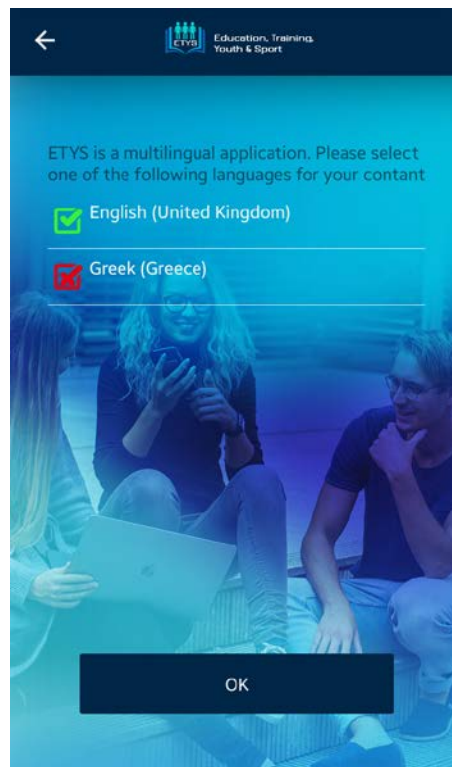

After login, personal messaging is on and you can receive messages for you. If you don't have credentials, pls register through the application.

The image shows a registration form for the ETYS application. At the top, there is a back arrow and the ETYS logo with the text "Education, Training, Youth & Sport". Below this, there are four input fields labeled "Full Name", "User Name", "Password", and "email". At the bottom of the form is a dark button labeled "Sign Up". The background of the form is a blue-tinted image of a group of people sitting on a bench.

Languages

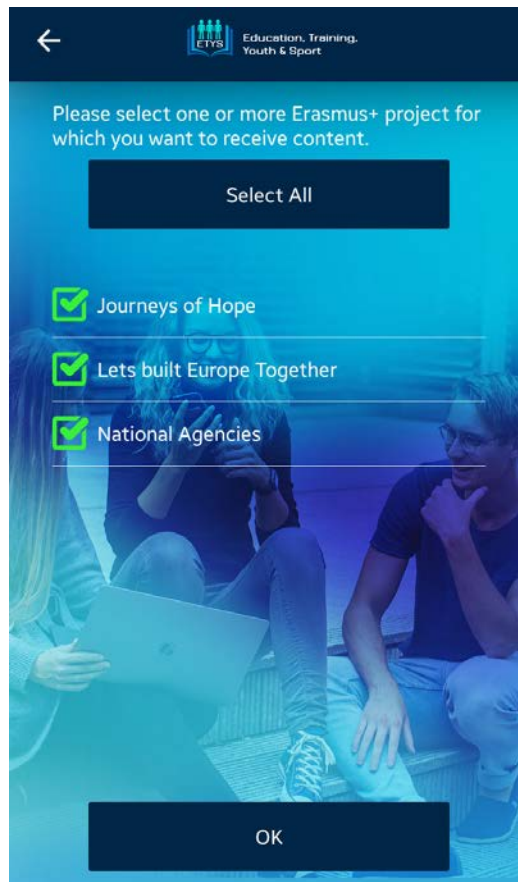

You select the language of the content.

The image shows a language selection screen for the ETYS application. At the top, there is a back arrow and the ETYS logo with the text "Education, Training, Youth & Sport". Below this, there is a message: "ETYS is a multilingual application. Please select one of the following languages for your content". There are two radio button options: "English (United Kingdom)" which is selected with a green checkmark, and "Greek (Greece)" which is not selected with a red checkmark. At the bottom of the screen is a dark button labeled "OK". The background of the screen is a blue-tinted image of a group of people sitting on a bench.
