I live in Paris, in the 20th district in the east of Paris.

My school is 10 minutes away from my home.

Near my house there is a park, and too tram and metro station so I can go everywhere in Paris.

My family

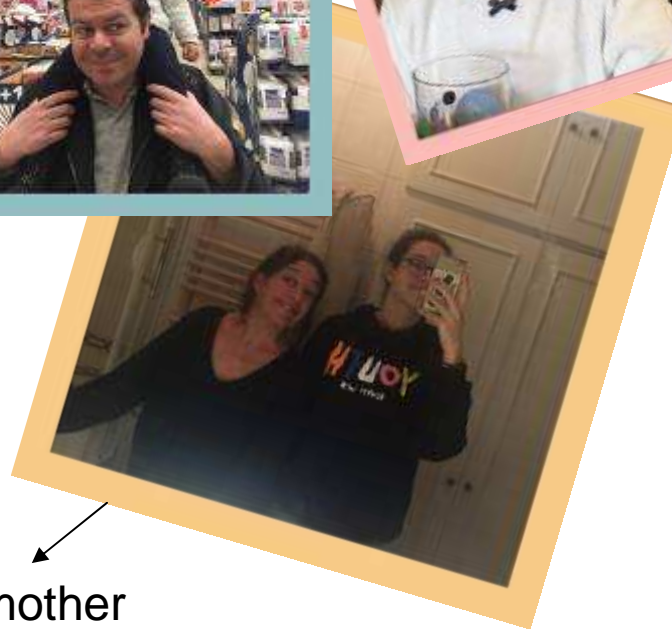

My stepfather

My sister

My mother

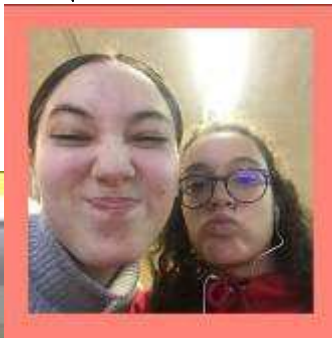

My friends

YAMINA I see her every day since she is in the same school than me. I really like spending time with her.

CELIA I do not see her often because I knew Célia on the internet and she lives far from home. But when we are together we really like to go out.

LEILA When I'm with Leila we really like to go out to discover new places or go shopping, and we also like to meet new people.

FANNY I don't see Fanny often because she lives far from home but when we see each other we love to meet new people and enjoy.

My routine

here's my daily routine at school :

In the morning I wake up at 6.30 am, take a shower, and when I'm ready I leave home at 7.30 am. I take the tram to go to my school. Depending of my timetable I finish more or less late.

If I finish early:

I like to stay with my friends, to walk with them. After I am coming back home, I do my homework, I spend time with my family on the sofa, play with my little sister.

If I finish late:

Sometimes I come back later and I am tired, so I'm not doing anything.

When I'm tired I like to be quiet, watch the television.

My hobbies

I like to listen music, watching TV, shopping, spending time with my friends and my family.

I like travelling, because I always like to visit a new country and meet new people.
