2018-2019

HELLO !

My name is Oriane  
and I'm 17y old, I  
study in the High  
school named of  
"Lycée d'Alembert"

I live with my mother, my brother and my two cats (Réglisse et Blanche) in the 19th arrondissement of Paris.

I also have a second brother and a stepfather but they do not live at home, both named "mickaël"

(Stepfather)

(Brother)

I am rather calm in appearance but when you know me well, I am completely crazy, (in the good way of course, at least, i hope so).

I like music a lot, sing, playing piano or guitar and just listening music in general.  
I really like taking pictures too.
