

Introduction of myself

Hello!

I'm Angelina Allen, I'm 15 years old and attending Aristoteleio College. I'm currently in my first year of high school. I was born 18th of April 2003 with my twin sister Christina Allen. We live in Thessaloniki.

My family consist of my step brother "Χαρης Δελβινιωτη" which he just graduated and now he is an electrical engineer. My mother's name is "Αναστασια Ρακοβαλη" she was a gym teacher and she has retired. My father's name is Herbert Allen he is also retired which he was an electrical engineer and he is an American that has worked in a lot of different countries. Also, I have my twin sister that everybody says that they can't tell us apart.

cause it rests me and I can express that.

I have a lot of interests. First of all, I love playing basketball, I'm on Π.Α.Ο.Κ. team, it's one of the best teams in Greece. I was playing basketball since I was 6 years old. I had to work hard to become what I am right now working so I can go limits, I'm dreaming a very good player. Also, I like some time on

and I am still over my of becoming basketball spending drawing myself like

I'm glad that I am able to participate in a project like this and I hope that we are going to have good results in the anti-bullying project.
