

Hello! My name is Elena and I am 16 years old. I live at Kalamaria, Thessaloniki and go to Aristotle College. I live in a two-storey house with a garden. In the first floor is the living room and the kitchen and in the second floor are the rooms. My family consist of 5 people, my mom Anna, my dad Thomas, my two brothers John and George and me.

I like to spend my free time with my friends, scrolling on the media or reading books. I prefer something more like an adventure book.

Sometimes I go to cinema with my friends, otherwise my dad downloads the movie I want to see. I prefer watching sci-fi and sometimes adventure or romantic movies.

I forgot to mention that I want to study medicine.

I love playing basketball and dance hip hop. I also love listening to music, not a specifically kind but I have some favorite songs. Last year with my team PAOK we won the second place in Greece and I would like to live it again.
