

Introduction of myself

Hello!

I'm Lefkothea Salma, a student of the 1st grade of high school in Aristoteleio College. I was born on 5th September 2003 in Thessaloniki where I live too.

My family consist of my mother called "Panagiota", my father "Pantelis" and myself. My parents constitute a family business, a perfumery called "Aroma Therapy" which includes a variety of branded perfumes.

During my free time, I usually play the ukulele and the cajon or just listen to my favorite kinds of music which are mostly alternative(rock/beats), ballads and pop music. My top favorite artist is Sia Furler therefore I'm a huge fan of her. Other artists that I enjoy too are Twenty One Pilots, Grandson, Missio and more. I also love photography, bicycling and MEMES. My favorite school subjects are probably biology and chemistry.

I am looking forward to get in touch with the members of Erasmus and I am anticipating of a great result in our anti-bullying project!
