

Greetings! My name is Christina Grammatikaki, I am 16 years old and go to the Aristotle College. I reside in Panorama, a beautiful suburban area of Thessaloniki. Our house consists of three floors, a front- and a backyard. The bedrooms are located on the ground floor, whereas the living room and kitchen are upstairs. Our garage and guest room are on the lower ground. I live with both of my parents, Nikos and Marielle. As far as my future is concerned, I'm not sure whether I want to study medicine or informatics.

I absolutely love sailing, to the point that I sometimes travel abroad to participate in international races. Overall, I love swimming, scuba

diving, paddling, windsurfing, snowboarding and skiing. Furthermore, I visit the gym several times a week.

In my little remaining free time, I prefer going to the city center or to the mall with my friends.

Otherwise, I stay at home and spend my time drawing portraits or watching comedies. Regarding my taste in music, I am a true fan of rock bands.

Nevertheless, I occasionally listen to some rap and electronic music as well. I hope that someday I'll be able to learn to play an instrument.
