

INTRODUCTION OF MYSELF

Hello everyone!

I am Katerina Kasapidou and I am 15 years old. I am a student in the 10th grade of the Aristotle college of Thessaloniki. I was born on the 4th March 2003 in Thessaloniki where I live today.

I have a younger sister. Her name is Arietta, she is 13 years old and she is part of a volleyball team. My mother's name is Lina and my father's Thanos. My best friend's name is Evridiki and is like my second sister. I have a small dog named Bella, she is a very friendly and quiet dog.

I have many hobbies. I love dancing and I take hip hop and latin lessons. I can also play the piano and I am a self taught guitar player. I enjoy singing and my biggest dream is to become one day a singer and a dancer. In my free time I mostly hear music, chat with my friends and watch TV series and movies. A few of my favorite TV series that I have watched is friends and glee. I am a fan of many music bands such as Queen, Green Day, Scorpions, The Beatles, etc.

I like to eat almost all of the kinds of food, fruit and vegetables but above, all I love chocolate deserts.

I love travelling in other countries and making new friends and that's why I'm so excited for participating in Erasmus!
